

A large circular graphic divided into 10 equal segments by radial lines. At the top center of the circle is a pair of scissors icon, indicating where to cut. Each segment contains a different set of colorful objects and the text "HOW MANY?". The segments are arranged clockwise from the top right:

- Segment 1: 10 donuts of various colors and patterns.
- Segment 2: 10 colorful party hats.
- Segment 3: 4 3D cubes in green, orange, and red.
- Segment 4: 5 colorful blimps or airships.
- Segment 5: 5 blue birds in flight.
- Segment 6: 2 yellow cartoon characters with large eyes and a wide smile.
- Segment 7: 1 pink piggy bank.
- Segment 8: 4 books in green, red, orange, and blue.
- Segment 9: 5 colorful ice cream cones.
- Segment 10: 10 penguins of various colors.
